parallelogram

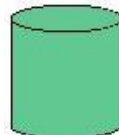

cube

oval

trapezoid

cylinder

pentagon

Let's Sing!!!

I'm a square. I have four sides.
I'm a square. I have four sides.
We are squares. We have four sides.
1 2 3 4 we are squares

I'm a circle. I go round and round.
I'm a circle. I go round and round.
We are circles. We go round and round.
Round and round we are circles.

I'm a triangle. I have three sides.
I'm a triangle. I have three sides.
We are triangles. We have three sides.
1 2 3 we are triangles.

We are shapes. You see us everywhere.
We are shapes. You see us everywhere.
We are shapes. You see us everywhere.
Just look around we are everywhere.

We are shapes. You see us everywhere.
We are shapes. You see us everywhere.
We are shapes. You see us everywhere.
Just look around we are everywhere.
