I'm Proud of Indonesia!

VII

We will learn to describe people, animals, and things in order:

- to make them stand out
- to show my pride of them
- to promote them
- to criticize them

Observing and asking questions

We will play the roles of the speakers in the conversations about Edo's notebook.

Here are what we will do. We will work in groups. **First**, we will carefully listen to and repeat the conversation after the teacher, sentence by sentence. **Second**, in our group we will play the roles of the speakers in the conversation.

We will say the sentences loudly, clearly, and correctly. If we have any problems, we will go to our teacher for help.

Do you see my notebook? I put it on my desk, but it is not there now.

What does it look like?

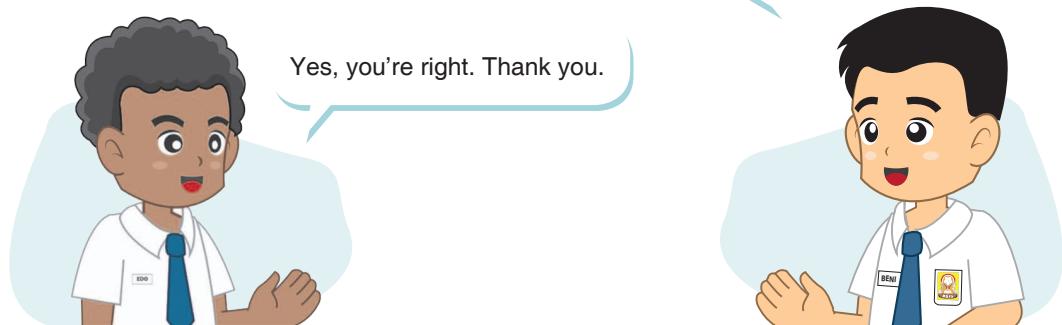

It's thick. It has a blue hard cover.

Does it have a pink ribbon separator? This one?

No. The ribbon is white. There's a sticker on the cover. It's shiny, white, round with a picture of an orang-utan.

It must be the one over there, on the teacher's desk.

Yes, you're right. Thank you.

Observing and asking questions

We will play the roles of the speakers in the conversations about Lina's house.

Here are what we will do. We will work in groups. **First**, we will carefully listen to and repeat the conversation after the teacher, sentence by sentence. **Second**, in our group we will play the roles of the speakers in the conversation.

We will say the sentences loudly, clearly, and correctly.

Is it easy to find your house?

I think it is. I live in a new housing complex, so all the houses look the same. They all have a blue roof and no fence. They are all white and grey. There's a tree in front of every house. But we have two trees. One of them is a star-fruit tree.

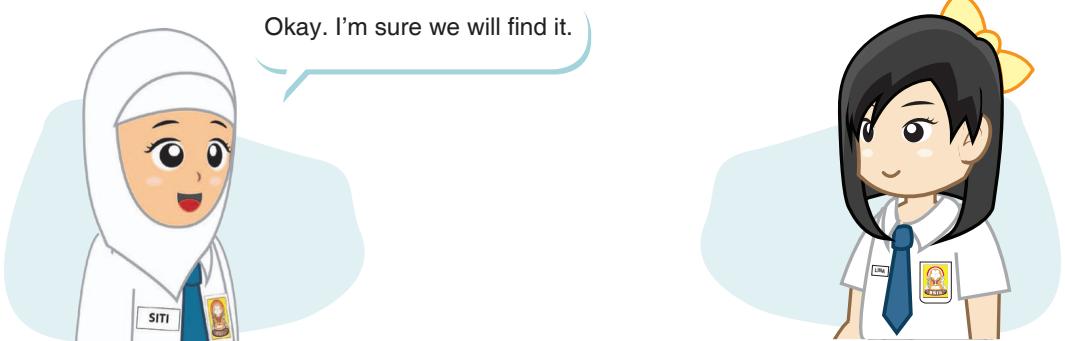

Is it near the small bridge on Jalan Teratai?

Yes. My house has a handcraft from Tana Toraja hanging on the front door. It is a triangle with beautiful carving.

But when the door is open we can't see it from the street, can we?

You are right. Okay. In front of my house there is also a big stone. Some children often sit and play there.

Okay. I'm sure we will find it.

Observing and asking questions

We will play the roles of the speakers in the conversations about a pair of shoes.

Here are what we will do. We will work in groups. **First**, we will carefully listen to and repeat the conversation after the teacher, sentence by sentence. **Second**, in our group we will play the roles of the speakers in the conversation.

We will say the sentences loudly, clearly, and correctly.

I went to market. In the big shoe shop, near the barber shop, I saw many beautiful shoes. I'm sure you like them.

Really? In fact, I need plastic shoes in this rainy season.

There are beautiful plastic shoes there. Different colours. Some have holes, and some have flowers in the front. Some are plain with nothing on them.

I need shoes with a strap, and open in the front, like sandals. It's always hot here, and my toes need air to breathe.

I agree. I saw many sandals with a strap, too. They have low heels, and they look comfortable.

Great. I'll go there tomorrow. Thanks.

Observing and asking questions

We will play the roles of the speakers in the conversations about a T-Shirt.

Here are what we will do. We will work in groups. **First**, we will carefully listen to and repeat the conversation after the teacher, sentence by sentence. **Second**, in our group we will play the roles of the speakers in the conversation.

We will say the sentences loudly, clearly, and correctly.

I'll leave for Bali tomorrow.
What souveneer do you want me to buy you?

Wow, thanks. That's very mindful of you. What if you buy me a T-shirt?

What kind of T-shirt?

I want a white T-shirt, with short sleeves.
I like a sporty and casual one.

Alright. Do you want a plain one?

No, not a plain one. I want one with a picture, a small one, in the front. It should be a picture of anything about Bali.

Sure.

I see three people wearing the same uniform.

Oh ya. I see him now. He's walking toward me. He's carrying a backpack, isn't he?

He's tall. He's got a fair skin.

No. He's wearing a uniform, black pants and a blue shirt with long sleeves.

He's a bit fat and chubby. He's wearing a black hat.

I see three girls here, and they are all tall and thin. Is her hair straight and long, in a pony tail?

Two girls is wearing their hair in plaits. They both have a fringe too.

Got it. Wow, that chubby little girl five years ago is now a beautiful slim girl?

Sorry, I don't have the photo with me now. But, this may help.
She's tall and thin.

No, that's Rina, my niece. Sofia's hair is curly, usually in plaits. She has a fringe.

Right. Sofia's standing, not sitting.
She's wearing a yellow night dress, with a picture of a sleeping baby.

Yes, she is.

Observing and asking questions

Yes. She's here. But, I don't know where she is now. She's in batik and black pants.

But, all the ladies here are wearing batik and black pants.

You are right. Ah, there she is. She's the big lady with glasses. She's sitting on the bench in front of the Principal's office.

Which one? Both ladies are big and wearing glasses. Is she wearing a scarf?

Associating

We say good things about our objects because we are proud of them or love them.

Here are what we will do. We will work in group. **First**, we will carefully listen and repeat the descriptions after the teacher, sentence by sentence. **Second**, in our group we will play the roles of the speakers in the conversation.

We will say the sentences loudly, clearly, and correctly.

My father is a good man. He loves his family. He does not get angry easily. He talks to us, his children, about many things. He and my mum often go out together to enjoy the evening. He is friendly to the neighbours.

My father is friendly, too. He knows almost everybody in the neighbourhood. He always goes to the neighbourhood meetings. He is never absent from the Cleaning Day. He is a good volleyball player. He plays volleyball with our neighbours in the community centre every Saturday.

I love my mum very much. She is an Elementary School teacher. She is very patient. She is never angry. She always smiles and never complains. My mum is my best friend. I can talk to her about everything. Oh ya, she can sing! She has a beautiful voice.

Associating

I'm proud of my English teacher. She is smart and very friendly. Her English is very good and very clear. She speaks English to us, and we speak English to her too. She often reads us good stories from different parts of Indonesia. She knows many stories from other countries too.

Aunt Dina is very healthy. She is rarely sick. She is married and has two children. She is more than 40 years old, but her skin is smooth and her face always looks young and beautiful. Oh ya, she exercises almost everyday. She works at a bank. It is almost 2 kms from her home. She has a motorcycle, but she goes to work on foot.

I love my cat, Manis. She makes me happy. When I tickle her, she rolls around and taps her paws on my hand. I like the feeling. She has three colors, white, yellow, and black. She often lies on my feet when I study or watch TV. Sometimes she sleeps in my bed with me, on my feet. It feels warm.

We will do the task in our notebooks.

Finally, we will read our work to the class.

We will use a dictionary. We will spell the words and use the punctuation marks correctly. We will also say the sentences loudly, clearly, and correctly. If we have any problems, we will go to our teacher for help.

Associating

We will learn to read to each other the description of a person/thing stated by each speaker.

Here are what we will do. **First**, we will carefully listen and repeat each description after the teacher, sentence by sentence. **Second**, in our groups, we will learn to read the description meaningfully to each other.

We will say the sentences loudly, clearly, and correctly.

I'm proud of my school. Our teachers are smart. We have many good books and magazines in our school library. The classrooms are not big, and they are clean and tidy. But, the school yard is very small. There are not many plants, so it is very hot in the afternoon. We only have the terrace when we are not in the classrooms. So the terrace is very crowded during the break.

I like my classmates. We are close to each other. We tease each other, but we do not get angry easily. We play together. We study together. But I do not like a number of things about them. Some are not discipline. They do not do their work seriously. They litter. So, our classroom is often messy and dirty. They also write bad words on the desks. During the class, they move around and they make a lot of noise.

Pak Bacu is a janitor in our school. He's a hard worker. He sweeps the yard every morning and afternoon. He cleans the toilets. I like him because he is friendly, and he knows our names. But sometimes he's annoying. He often teases me, and laughs at me in front of my friends. He's sometimes fussy too. He tells us not to litter, again and again. He gets mad when we don't put our rubbish in the rubbish bin.

Associating

My brother is very smart. He is also a good football player. He is generous. He is funny, too. I love him very much. But I don't like some things about him. His room is always messy. He puts his things everywhere. Sometimes he is smelly because he is sweaty but he doesn't take a bath straight away. He drinks too much soft drink. He does not like fresh water. I'm often worried about his health.

I like my hometown. It is cool and green. There are many new buildings. The streets and the markets are clean. There are many plants on the sides of the roads. But I don't like some things about my town. The traffic is rather dangerous. Some people drive too fast. Many young people ride carelessly. They stop in wrong places and often block the ways. You have to be very careful when you cross the road.

There is a lake near my hometown. It's very large and panoramic. The forest around the lake is very green and cool. But, I want to say some sad things about it. It is very dirty and the foods and drinks are very expensive. People litter everywhere because there are not many garbage bins there. The vendors leave their waste everywhere. Some wooden benches are broken, so we cannot sit on them.

We will identify what the speakers say about (1) the location, (2) the size, (3) the archipelago, (4) the population, (5) the islands, (6) the waters, (7) the mountains and volcanoes, and (8) the climate. We will use a table to do it.

Here are what we will do. We will work in groups. **First**, we will carefully study the example and copy it in our notebooks. **Second**, we will discuss to find the details about each feature, like the example, "the location". We will use the table to do it. **Third**, every one of us will handwrite the work in the notebook. **Finally**, we will read our work to the class.

Associating

We are all proud of Indonesia, aren't we?
Let's describe it together!

Indonesia is a big country. It is between two continents, Asia and Australia, and between two oceans, the Pacific ocean and the Indian Ocean. It is the largest archipelago in the world. There are more than seventeen thousand islands in Indonesia.

We have a lot of islands. The big ones are Papua, Kalimantan, Sumatra, Sulawesi, and Java. Of the five islands, Java is the smallest, but it is the most populated one. We can find people from around Indonesia in Java.

Indonesia is on the equator. It is a tropical country. The sun shines brightly every day, so it is mostly hot. It has two seasons, the rainy season, and the dry season.

There are many seas in Indonesia, the Java Sea, the Bali Sea, the Arafuru Sea, the Banda Sea, the Timor Sea, and many others. We also have many straits, like the Sunda Strait, between Java and Sumatra, the Lombok Strait between Bali and Lombok, and many others.

Indonesia also has many mountains. Many of them are still active and can erupt any time. We call them volcanoes, like Sinabung and Marapi in Sumatra, Merapi in Java, and Lokon in South Sulawesi. When they erupt they bring out very hot lava from inside the earth.

Associating

We will learn to read to each other more descriptions about Indonesia stated by each speaker.

Here are what we will do. **First**, we will carefully listen to and repeat each description after the teacher, sentence by sentence. **Second**, in our groups, we will learn to read the description meaningfully to each other.

We will say the sentences loudly, clearly, and correctly. If we have any problems, we will go to our teacher for help.

The land is very fertile. Farmers grow many kinds of vegetables and fruits. They also grow coconuts. Indonesian people eat a lot of vegetables like spinach, carrots, long beans, egg plants, cabbages, cucumbers, tomatoes, onions, garlic, chillies, kangkung and many others.

We also grow many kinds of fruit. We call them local fruits, like guavas, bananas, rambutans, durians, mangoosteens, soursops, papayas, pineapples, and salak. Some people call it a snake fruit. They are all very nice, sweet, and juicy. We eat them fresh. We also make delicious juice of them. We also dry many kinds of fruit to make crackers.

Indonesia is also rich with spices, like pepper, coriander, ginger, clove, cinnamon, turmeric, galanga, lemon grass, bay leave, and so on. We use them to cook very spicy Indonesian foods. People also make nice healthy drinks from them. They are useful for our health.

Many kinds of fish, big and small, live in the Indonesian seas. Most of us eat fish with our meals. We also eat shrimp and different kinds of shellfish. But we don't eat big fish, like dolphins and sharks. We protect them. We also protect our turtles.

Indonesia also raise different kinds of animals for their meat, like cows, goats, pigs. We get beef from the cow, mutton from the goat, and pork from the pig. Some ethnic groups even eat horse meat. Our milk is usually from cows. Of course we also have chickens. They give us meat and eggs.

We will copy each description to complete each task and handwrite it in our notebooks.

Here are what we will do. **First**, we will carefully study the example and copy it in our notebooks. **Then**, every one of us will complete the task in the notebook, like the example.

We will use a dictionary. We will spell the words and use the punctuation marks correctly. We will also say the sentences loudly, clearly, and correctly. If we have any problems, we will go to our teacher for help.
